DIY PROJECT

Whispering Hope

Diaper, Wipe & Formula Mini-Drive

IMPACT

Whispering Hope is a nonprofit organization committed to providing compassion, information, and support to anyone facing the challenge of unintended pregnancy. Whispering Hope provides support to moms through pregnancy and until the baby is 18 months old. Whispering Hope has a pantry to support new moms with items that all new moms need: diapers, baby wipes, and formula. Oftentimes this supply runs low and needs to be replenished.

INSTRUCTIONS

STEP 1: As a group, spend time learning about Whispering Hope and the families they serve.

Their website, www.supportwhisperinghope.org, is a good starting place.

STEP 2: Discuss as a group how you will collect the items you'll donate. Feel free to invite others, (neighbors and co-workers) to donate as well. You may want to set a goal for how many items your group wants to collect.

STEP 3: Set a date to shop together or bring the items to small group. Once you've gathered your donations, spend some time praying for the families that will receive them.

STEP 4: Donations can be dropped off at Whispering Hope. Call to schedule a drop-off time (770.889.8302) during office hours (Mon/Tues: 12:00 p.m. - 8:00 p.m., Wed/Thurs: 10:00 a.m. - 4:00 p.m.)

STEP 5: Register your project [here](#) so we can keep track of what's happening in our community!

NOTES

* DONATION LIST: Diapers, size 4, 5, and 6; any brand baby wipes, and baby formula (specifically Similac Advance, Similac Sensitive, or Enfamil Gentle)

INCLUDE YOUR KIDS

Children can help collect the items you'll donate. They can help sort and/or organize your group's donations. Kids can also go with you to deliver your items. Please use your visit as a teachable moment and set expectations on the front end by talking about what they might experience and reminding them to love and treat others as they wish to be treated (such as making eye contact, smiling, and being respectful to everyone).
