

FLASHLIGHT FUN

God helped Gideon's teeny-tiny army win the battle against the **BIG BAD** army. Wow! Gideon trusted God and did what he said to do. Gideon knew God loved him and wanted to help him. Gideon trusted God and you can trust God too!

Here's what to do:

1

Grab a flashlight (or use the flashlight on your phone) and retell the Bible story to your child at bedtime.

2

Encourage your child to pretend that the flashlight is Gideon's torch. At the right time, have them cover their "torch." When they uncover it, say together, "For the Lord and for Gideon!"

3

Talk about all the ways you can trust God, and then pray together and thank God that you can trust him!
